ADMISSION AND REGISTRATION

Admission

Admission and enrollment is for one school year only. You must re-register your child(ren) each school year. Check your CKC newsletter, the CKC website, and postings at your site for registration dates..

Children are served without regard to race, sex, gender, color, ancestry, national origin, ethnic group identification, religion, sexual orientation, mental or physical disability. CKC, Inc. welcomes the enrollment of children with disabilities, we understand the requirements of the American with Disabilities Act (ADA) and we will make reasonable accommodations to serve these children. We also operate without religious instruction of any kind. No optional services are offered.

Our goal is to ensure that our program is an appropriate placement for your child. In order for the program to accommodate the well-being, mixed schedules and diverse needs of the families that we serve, all children in our care must be able to function well in a stimulating, ever-changing group environment. CKC, Inc. reserves the right to restrict a child from participation in any activity or field trip and to determine if continued enrollment is in the best interest of the child.

Registration Tour/ Conference

Title 22 requires that both the parent and child attend a tour/conference before care begins. The registration conference is for you & your child(ren) to view the program and discuss the program policies. Please schedule a tour through the CKC Administration Office. These will be held 1 to 2 weeks prior to the start of the school and as needed for mid year enrollment.

Registration Fee/ Monthly Tuition

An annual registration fee is assessed at the time of registration. If your child attends Summer Camp, there is an additional registration fee. All registration fees are non-refundable.

Your child may attend only after the required forms are completed and returned to the CKC Administrative Office, payment has been processed, and you and your child have attended a tour/registration conference at the childcare site. The registration process takes three business days. Families will not be permitted to register for the following school year or summer camp until all outstanding tuition balances have been paid in full.

Parent Contract

At the time of registration, a Parent Contract will be completed detailing your tuition and schedule. A new Parent Contract needs to be completed to make any changes. A 30 day notice is required to implement any changes to your tuition and schedule. **WE WILL NOT ACCEPT ANY CHANGES EFFECTIVE THE FIRST MONTH OF THE SCHOOL YEAR.**

Waiting List

The CKC Administration Office will maintain a waiting list granting admission on a first-come, first-serve basis. In order to be placed on our waitlist you must return a waitlist form to the CKC Administrative Office at office@campuskidsconnection.com or mail to 820 Bay Ave. Suite 124, Capitola, CA 95010. Forms can be found on our website or at the CKC Administrative Office. If we expect demand to exceed capacity we will hold a lottery and will put those we are unable to currently serve on our waitlist.

If you withdraw your child from the program, a child from our waiting list will be granted admission. Re-enrollment at this time is not guaranteed for your child.

TUITION

Schedule

A tuition schedule is available for each center. School year tuition has been calculated to take into account any school closures and minimum days. We do not prorate for CKC closures (i.e. winter break, holidays) or school closures during the year. Tuition is regardless of usage. There will be no adjustments to tuition if CKC, Inc. has to close due to acts of nature.

Camps and Non School Days

When the elementary school is closed and the center is open for the full day, there will be an extra fee for parents signing up for the day. Sign-ups for these days will be posted in advance at your child's center. It is very important to sign up for these days in advance. Care cannot be guaranteed on the full day if you did not sign up in advance. Summer Camp has a separate tuition rate. If you sign up for full day care or camp care, you are

financially responsible for those days regardless of attendance. You may cancel any full day care by contacting your director by phone or email prior to the start of the full day.

Drop-In Services

Drop-in childcare services may be available to assist families on days that they are not regularly scheduled. There is limited drop-in availability, and is only allowed after confirming with the site director that space is available with at least 24 hours in advance of the day you need care. Payment for drop-in services will be invoiced and payment will be due upon receipt. Drop-in care may not be scheduled more than 4 weeks in advance.

Drop-In Services No Show Policy:

If you sign up for drop in services and your plans change, you need to notify the Site Director at least 3 hours before the care was to begin or you will be financially responsible for this day. You will be charged for a no show without proper notice. This allows the Site Director to ensure adequate staffing for the day.

*Please note: we generally do not have staff on-site until noon. You may email or phone to leave a message during this time to cancel a scheduled drop-in. Requests for drop-in left on the voicemail or e-mail are not guaranteed for space and will be responded to on a first come, first serve basis. Drop in will be confirmed by a call or email back from your site director.

Sibling Discounts

A sibling discount of 10 % is available for the child(ren) with the lower tuition(s). This will apply if you have two or more children enrolled in our after school program, preschool program, and/ or our infant & toddler program.

Late Pick-Up

Your child(ren) must be picked up by closing. If you arrive after closing, a family late fee of \$10.00 for every 10 minutes or portion thereof will be assessed. The fee will be added to your next tuition statement. More than 4 late pick-ups in any year may result in termination from the program. If you know in advance that you will be late, please arrange for another authorized adult to pick up your child and notify the site director. If we haven't heard from you, we will begin calling contacts to pick up your child 5 minutes after closing. If your child attends the kindergarten early release program and child is picked up late, the same late fees will apply.

Payments

Under CKC, Inc.'s current operating procedures, the parent who has signed the parent contract is legally responsible for the payment of tuition. When a change in payment responsibility occurs, a new contract needs to be filled out immediately.

Tuition is due on the first of each month. Please make checks and money orders payable to CKC, Inc. We prefer not to handle cash. You may mail your payment to the CKC Administrative Office at the address located on the General Information page of the handbook. Payments can also be made online using VISA or Mastercard..

Request for Tax Statement

Parents may request a statement of payments for their taxes either by phone or email accounting@campuskidsconnection.com. We will provide a statement within two weeks of request. You must be listed on the parent contract to make a request.

Late Payments

A \$25.00 late fee will be charged for all payment received after the 5th of the month. If the 5th falls onto a weekend or holiday, tuition is due the next regular business day.

If tuition is two weeks late, your childcare will be temporarily suspended until balance is paid in full. Collection procedures will be initiated if statement balance is not paid in full by the 20th of the month and child(ren) will be dropped from the program. The parent or guardian who has signed the billing agreement will be responsible for

apying any balance due. Once collection procedures begin, you will not be able to re-enroll for one calendar year. Upon reenrollment your account must be paid in full.

More than 3 months of late payments may result in termination from the program for one calendar year.

Billing Questions

If a parent has a question concerning their tuition statement, they should contact the CKC Administration Office at (831) 462-9822 or email accounting@campuskidsconnection.com. Any grievance or objection to a billing must be made within 30 days of the date listed on the tuition statement. Failure to do so will result in the bill being correct.

Sliding Fee Scale

We operate on a sliding fee scale based on the number of family members and gross monthly income (including spousal support, child support, etc.) of your household. At the time of registration or annual re-registration a Family Income Calculation Worksheet must be completed. It is important to provide the following documents to ensure that you are receiving the correct tuition rate:

- a. last year's Federal tax forms
- b. current pay stubs at least one month
- c. any other documentation contributing to gross monthly income

This information will be kept confidential. You will be charged the Step 2 rate until adequate income verification has been provided even if you were Step 1 the previous year. Contact the CKC Administrative Office with any changes in your income. Changes will be reflected in the following billing cycle. Please see your registration packet with the Tuition Schedule for specific fee information. For questions about your bill or payment contact the CKC Administrative Office.

Subsidized Care

We currently work with two programs offering subsidized care: Go Kids and the Human Services Department (HSD). Our agreement with these agencies state that subsidized care is accepted based on the same rules and procedures our other clients are expected to follow. If paper work is not turned in by the end of the month your child care may be suspended or terminated until paperwork is completed. Failure of parents to complete recertification on time may also result in termination. Any fees owed by parent must be paid at time of service.

If you feel that you may qualify for subsidized care, you may speak with the Accounting and Enrollment Specialist in the CKC Administrative Office or contact the following agencies:

Human Services Department	454-4033
Go Kids	

Returned Checks

If your check fails to clear for payment, our bank will not permit us to re-submit it. Checks returned by the bank will be assessed a \$25.00 service charge. Re-payment must be made by VISA/ Mastercard, cashier's check, or money order. The re-payment, including the service charge, must be paid within 5 business days to avoid suspension of childcare services. More than one returned check per year may result in further action.

Tuition Changes

CKC Inc. will provide a 30-day written notice will be given for any changes to the tuition schedule.

ATTENDANCE

Use of CKC, Inc. Care

Your child(ren) must attend school on the day in order to participate in the after school program. If your child stays home from school during the day, s/he may not be dropped off at their CKC program. Likewise, your child(ren) cannot attend the CKC, Inc. program if s/he becomes ill at school. For the health and safety of the staff and the other children, an ill child released by the school for parental pick up will not be permitted to sign into the child care program. In the event your child is suspended or expelled from school, they may not attend after school care those days and there is no tuition adjustment in this situation. For questions concerning exceptions to the policy please contact the CKC Administration Office.

Sign In and Out

Parents are responsible for signing their child(ren) out at the end of each day. A full signature is required as well as time and date. Legal documentation of custodial rights may be required. This helps us to provide the safest environment possible as well as provide the opportunity for us to talk with you about your child's daily progress. Before school care, camps, and non-school days, require parents to walk their child into the center and sign in and out at the beginning and end of each day. Children arriving from school will be signed in by staff. Failure to do so may result in suspension or termination from the program.

Children will be released only to those authorized by the parent on the child's emergency form. It is the parent's responsibility to notify the center of any changes in authorization and update the child's emergency form. Those picking up children should be prepared to show identification to the center staff member upon request. No child will be released to anyone who is not authorized to pick up that child. If there is a court order regarding your child(ren) (custody/visitation, etc...) please be sure to provide a copy to your child(ren)'s site director and provide updates as needed.

If your child is involved with after school activities on the school site (soccer, baseball, etc.), please make prior arrangements with your Site Director. We will not be responsible for children during time spent at other after school activities.

Notification of Absences

Parent must call and notify the CKC site if the child is not attending the program. This can be done by calling or e-mailing the CKC site. Notifying the school is not sufficient, as they do not inform us of such calls. You must notify your child's CKC site as well. Failure to call in after three times may result in suspension or termination. Tuition is billed regardless of usage and does not change because of an absence.

Your child's safety is a top priority and we take this responsibility very seriously. Please help to ensure the safest possible environment and remember to notify the CKC site of any absences.

If a child is expected to attend, but does not check in, and a parent hasn't notified CKC of an absence, the following steps will be taken:

1. The child's CKC teacher will check with his/her classmates during check-in.
2. The school attendance list will be checked. If the child was absent, we will assume the child is at home.
3. The Site Director will attempt to reach the parent by telephone.

PROGRAM

It is your child's responsibility to walk themselves directly to CKC afterschool. TK and Kindergarteners are picked up from their classroom daily by a CKC teacher.

Philosophy

Campus Kids Connection, Inc. is a program designed to provide a safe and secure environment for your children. We provide a variety of activities for your children in a pleasant environment and assure that your child has the opportunity to practice a broad range of skills that are essential for successful living in a rapidly changing society. We work together to achieve these expectations in our programs:

- *We are safe*
- *We are kind*
- *We are respectful*

In order to effectively implement our program we must have in place a behavior management program that involves positive discipline which promotes natural and logical consequences. Working collectively with you and your child/ren, we will be able to achieve a safe, kind, and respectful environment in our programs.

Our staff is available to assist with any questions, and we encourage you to contact your Site Director to discuss any concerns you might have regarding your child. Our mission is to provide on-site child care programs in a safe, fun-filled, enriching environment for a diverse population of families in Santa Cruz County.

We feel that communication between both staff and parents is a vital part of providing a safe and enriching environment for your child. If you would like to visit the center, please make an appointment with the site director.

Behavior Management

Center rules are developed together by the staff and the children at the beginning of each new program year. Our behavior management policy is designed to promote the development of self-direction, self-control and self-behavior. This is accomplished through sensitivity, consistency, firmness, fairness and follow-through. No corporal punishment is allowed. We believe every issue counts.

We teach and promote the use of conflict resolution skills. Children are encouraged to stop and cool off, use reflective listening and "I" statements, and to brainstorm possible solutions that might work for all parties involved. We encourage children to try and solve their own problems before seeking staff intervention. The staff will listen to the child's entire experience around the specific situation.

Positive discipline including the use of natural and logical consequences is implemented by CKC, Inc. staff. We consistently reinforce positive behavior, and keep in mind the extreme importance of a child's self-esteem. All consequences must be reasonable, related to the behavior, and respectful to the child.

The following behaviors are not acceptable, and could result in suspension or termination from the program:

1. Endangering the health or safety of children or staff.
2. Continuous refusal to follow acceptable rules of behavior.
3. Habitual use of profanity, vulgarity or obscenities i.e.: bullying, teasing because of social class, disability, racial and/or ethnic slurs
4. Possession or use of illegal substances or paraphernalia.
5. Damaging or stealing of center, school or private property.

6. Leaving the program without permission.
7. Disrupting the program.

If a child is suspended from school, they will also be immediately suspended from CKC, Inc. for the same period of time. Parents will be required to pick up their child from the elementary school. Tuition will not be prorated in the event of suspension. In the event of expulsion from elementary school, the child will automatically be terminated from CKC as well.

Steps Implemented for Behavior Management

CKC, Inc. Staff will make every attempt to consistently:

1. Reinforce positive behavior.
2. Encourage and facilitate conflict resolution skills.
3. Document problematic behavior.
4. Notify parents of any problematic behavior.
5. Set up and meet in parent conference, agreeing on a plan of action.
6. Set up and meet in a follow-up conference to determine progress, with the Site Director & Administrator.
7. Consult the Program Director if the problem persists, to determine the child's eligibility to remain in the program.

If at any time the child's behavior in any way threatens the safety of the other children or staff, the parents will be called immediately and will be expected to pick up the child within 30 minutes.

Behavior that is deemed extremely unsafe or violent may result in immediate termination from the program. If CKC, Inc. is unable to meet the child's needs, alternative childcare arrangements will need to be made by the parent or guardian. CKC, Inc. does not offer any optional services and we do not utilize any outside consultants. Community Resources are available in the CKC Administration Office.

Termination from the Program

Termination from any CKC, Inc. program will be for a minimum of one year. A terminated child will not be permitted to transfer to or enroll in another CKC, Inc. childcare center. If a parent is interested in having their child return to the program following a termination, an orientation meeting with our program director and a plan of action (which may include a probationary period) will be required.

Personal Belongings

Please do not allow your child(ren) to bring personal belongings to school. CKC, Inc. shall not be responsible for the loss or damage of toys, games, clothes or other personal belongings. **Please label all belongings brought to CKC.**

Nutrition

Healthy choices are important for a child's diet, and we want to support these choices by offering a nutritious snack. Snacks are provided daily. We provide one snack in the afternoon during our regular after school program. During special days and camps when we operate a full day program, a morning and afternoon snack is served, and children are responsible for bringing a healthy lunch. Please refer to your site's daily schedule for snack time. A monthly snack menu is posted at each site and is available to view on our website. Menus meet or exceed minimum standards for amounts and types of food as set by federal guidelines.

If your child has food allergies or special dietary needs, a doctor's note may be required and allergy information will be posted in the food preparation area. Please pack your child snack from home if needed.

If your child would like to celebrate a special event, please see the site director.

Homework Policy

Each day, the center will provide a quiet homework area in which children will have the opportunity to do their work for 30 minutes. The program will encourage children to do their homework but cannot be responsible for the completion and review of each child's work. Teachers can help with questions, but extensive tutoring cannot be provided. Each center will provide pencils, rulers, paper, and a dictionary.

Field Trips

Our summer camp program may include field trips. On occasion, the site director may organize a field trip for their afterschool site as well. You will be notified in advance of the date and mode of transportation. Transportation includes walking, vans, or rented buses. Permission slips must be signed in advance for your child to attend. CKC, Inc. does not offer transportation on a daily basis.

Movies at CKC

On days when we are unable to be outside (rain, poor air quality, etc.) we may show a G-rated movie as one of our activity choices. The movie options that we may show include: Chicken Run, Charlotte's Web, Ratatouille, Land Before Time, Rio, Toy Story, Finding Nemo, Cars, Dr. Seuss, Lion King and Fern Gully. If you would like your child to refrain from watching movies at CKC, please let your site director know. There will always be an alternative activity choice offered.

Parent Board

This area is used for announcements, menus, program schedules, required postings, and newsletters. Parents will also be given access to a site specific webpage where newsletters, menus, and additional announcements will be posted online. Be sure to check it daily for important notices.

Parent Conferences – Available upon request, please contact the site director.

Board of Directors

CKC, Inc. is a non-profit organization governed by a Board of Directors. If you are interested in becoming involved by serving either on the Board or on a committee, please contact the Executive Director at the CKC Administrative Office.

The health check is informal and if the child is ill we will call the parent to pick up the child within 30 minutes for the health & safety of all of our children and staff. Failure to pick up your child within 30 minutes could result in termination from the program. If you are unable to pick your child up, please arrange to have another authorized adult pick your child up.

If your child becomes ill during the school day, they will not be able to participate in the program that day and the parent or guardian must pick up the child from school. Children are not allowed in the center during their regular school hours.

Please notify the center if your child stays home from school or becomes ill during the school day and will not be attending the program. Some of the symptoms that may exclude your child from the program are:

Parents must provide written consent as to the dosage, times and dates the medication is to be administered. All medications will be locked up and given to the child only at the times specific times requested by the doctor. Children may not store prescription or “over-the-counter” medications in their belongings at any time.

CKC, Inc. reserves the right to refuse responsibility for medication at the initial request of the parent or guardian, or at any time during the administration after providing proper notification to the parent. Please see your Site Director for copies of the Medication Release Form

Accidents/Emergencies

In the event of a medical or dental emergency 911 will be called. In the event of an emergency, immediate action will be taken by the staff as per your orders on the emergency release form and emergency cards. If parents or other responsible adults are unable to be reached, the child will be taken to the nearest hospital for any necessary treatment.
