

January 2019

Bostwick Children's Center

January's Theme:

Winter Weather & Animals

This month we will be talking about all things winter! We will learn about winter weather, outside temperatures and the clothes needed to keep us warm and dry.

We will engage in water and ice exploration. Where does ice come from? What is rain? Hail? Snow?

We will also discuss animals during winter. What is hibernation? Do all animals hibernate? How do animals adjust for the cold weather? What animals live in cold snowy climates?

Happy New Year!
We hope everyone
had a great time off!

The children loved
the twinkling lights
displayed
throughout the
classroom!

Upcoming closures:

Monday January 21th
(Martin Luther King Jr. Day)
Monday February 18th
(Presidents Day)
