

Gault Campus Kids Connection February 2019 Newsletter

Hi everyone! We can't believe it's already February! This New Year has been off to a wonderful start here at CKC. We've focused on more STEM projects by building marble mazes, towers made out of beans, clothespin racecars, and made Oobleck, a "non-Newtonian liquid" inspired by the Dr. Seuss book *Bartholomew and the Oobleck*. We also made crystals, homemade cornhole boards and potato people! This coming month, we will be focusing on loving one another in the classroom. We encourage everyone here at CKC to say kind things to one another, be patient, be empathetic and support one another if someone is feeling down. We will also be doing fun Valentine's Day inspired activities! ♡
