Mountain CKC

Dear CKC Families,

Welcome new and returning families! We are so excited for the start of a fresh school year! We are looking forward to getting to know all the new families and returning families – especially after a year and a half gap! 😊

Our goals at CKC are to create a safe and positive environment for your children to learn, grow, and play. With passion and dedication, our staff look forward to the many fun and rewarding experiences that they will encounter and strive towards together this upcoming 2021-2022 school year.

Please take time to look at the staff bios, snack menu, and schedule to learn more about the program.

If you have questions or concerns, please do not hesitate to talk with us. We welcome suggestions and input and hope to have open communication between all of the afterschool participants, parents, and staff.

At CKC we offer Homework Club Monday-Thursday. Only children who are signed up are required to participate. If you would like your child to join please see the director for a homework club contract for both parent and child to sign. Homework Club will begin Monday August 30th.
