

Mountain CKC Newsletter

January 2019

Important Dates:

- Jan.2-4: CKC Winter Camp at Soquel Elementary
- Jan. 7 - School starts
- Jan. 21 - CKC closed for MLK Jr. day

Reminders:

- Always call or email me if your child will not be attending CKC
- Kinder pick up is 2:45pm unless they are signed up for a full day

Due to the recent fires in California we have re-evaluated our emergency evacuation plan and felt it important to communicate to families where you could find us in case of an emergency. If we needed to leave the Mountain school campus we would use all adults on campus to transport the children to Blue Ball Park in Soquel where families could meet us. If we could not use the road we would go down to the creek and walk along the creek heading toward Soquel. If you have any questions about our plan, please don't hesitate to ask.

In December we loved celebrating the Holiday season with lots of winter crafts and games. We enjoyed our helping hand goal celebration; watching a movie with popcorn and we were really creative with a graham cracker house building competition. It was a very festive and fun month for us at CKC.

In January we will use our imaginations and focus on the theme of magic and make believe. We will likely make wands, or mermaid tales, design video game characters and even learn some new magic tricks.

Always feel free to call or email Brittany with questions or comments. 831.475.3274 or mtn@campuskidsconnection.com
