This Month: Under the Sea

In March we will be diving into all that the ocean has to offer with all sorts of aquatic themed projects! We will create all sorts of different sea critters using different materials, from paper plate fish, to painted rainbow fish, streamer jellyfish, and more. We will also take advantage of the warming weather for creek walks and games like Sharks and Minnows!

Last Month: Love and Friendship

We expressed our gratitude and appreciation for our cherished friends and loved ones through awesome activities such as Valentines' cards, friendship journals and chains, and much more. We explored the concepts of sincerity, kindness, healthiness and loyalty during our group time with our Words of the Week, and brainstormed how these words were connected to our theme of the month
