August 2019

THE END OF SUMMER CLUBS

The end of summer time is approaching and so are our summer clubs in the Moon's room. In the Star's room they have been enjoying learning all about the ocean and sea life. We will continue our summer activities through August 23rd and we will be switching to our school year schedule on August 27th.

All of us here at the Children's Center would like to thank you and your family for making this an extraordinarily memorable year. The construction is DONE all around us. We are looking forward to an exciting and fun-filled school year.

UPDATES/REMINDERS:

CKC admin hours

Our CKC admin office hours will resume to regular schedule from M-TH 8:30-4pm and Fridays 8:30-1pm starting August 1st

Annual registration fee

There will be an annual registration fee on September statements of \$70 for families enrolled prior to May 1st, 2019.

Organized Cubbies

Please keep in mind that children share cubbies in the classroom. Limit items to an extra set of clothes in a Ziploc bag labeled with your child's name. All naptime items must be able to fit inside their nap bag.

Absence

Please call by 9am if your child is going to be absent from preschool. Our phone number is 475-6587

IMPORTANT DATES:

Monday, August 26

CKC Preschool
CLOSED

Teacher Work Day

Tuesday, August 27

New groups begin.

Monday, September 2

CKC Preschool
CLOSED
Labor Day

Parent Corner

*Please remember to sunscreen your child each morning before school and we will reapply after nap. For families providing your own sunscreen please remember to check with the teachers to see if we need more.

* If you have moved, changed jobs or phone numbers we need to know! Please update your emergency information.

* Please label your children's clothes.

*Please remember to check the LOST and FOUND tubes in each room before the end of the month. If your child's clothes are labeled it makes it easier for us to get them back in their cubby. Our tubes have been overflowing the last few months with unlabeled clothing. I will be donating any items left in the tubes on the last day of each month.

*Preschoolers love to draw and write, we are hoping to encourage care of our planet by using recycled paper. If you have a growing stack of paper that needs to be recycled. We'll take it and reuse it.

The Moon's Room

The Moons have been having a blast so far with Summer Clubs! We've explored bugs, cooking, learned about geometry, creating our own crayons, experimented with sensory science, and were architects of ramps and buildings. We have many more fun and exciting clubs to get us through August and ready for the school year.

The Star's Room

There has been an explosion of art and crafts in our littles room. We've been doing art inside and out. Check it all out around the room and in the children's art folders. Some of our "Star's" have been joining the "Moon's" for summer camp fun.
