FEBRUARY 2019

THEMES: LOVE AND FRIENDSHIP

Love, friendship and caring for one another is our theme for February! We will be discovering love in all forms. Friend love, self-love and family love. Why is love important? What does love look like? What is love? How does it feel to be loved? How do we show love? We will be exploring what it means to love others and ourselves. We will be helping the children understand their emotions by using words to express how they are feelings and how to address those feelings. This will be a great opportunity for all of us to work on our conflict resolution skills! We will be using our classroom expectations,

Be Safe
Be Kind and Friendly
Be Respectful

Valentine Making Station

This year for Valentine's Day, we want to take this opportunity to teach the children a little about Valentine's Day, and celebrating the ones we love both near and far by having an area setup in each room where the children can make valentines for the special people in their lives. We have some supplies already but would be happy to accept donations of more craft materials, such as stickers, heart-shaped cutouts, dollies, special paper, etc.

UPDATES/REMINDERS

- ❖ Working on your taxes? Our Federal Tax ID No. 94-2478136
- ❖ Just a reminder...children must be able to participate in daily activities. If your child is showing signs of illness (fever, runny nose, or persistent cough) please keep them home! Children must be clear of symptoms for at least 24 hours for them to return to preschool.
- ❖ Please remember to sign your child in/out of the program EVERY DAY. This will help us keep track of how many children are currently in our care.
- ❖ Please remember to have your children leave their toys at home when coming to school. They are always more than welcome to bring a book or game to share with the class.

IMPORTANT DATES

Tues. 2/12 & Wed. 2/13
Friendship Teas
(See more information on the next page)

Monday, 2/18
President's Day
CKC CLOSED!

- *Please check your home CKC site.*
- *Site-specific dates will be posted February 8th, 2019.*

LITTLE'S

The Little's spent the month of January exploring colors and shapes. We have been working on learning our colors by mixing and painting. We also worked on shape recognition through art, writing and songs. We had great fun creating shape artwork; people, houses and much more...

BIG'S

The Big's spent the month of January learning about winter weather; snow, rain and wind. Each day we were meteorologists tracking the weather and doing a daily weather report at circle time. We also created many different art projects to represent the different weather we were exploring.
