**CELEBRATING OUR
FRIENDS AND LOVED
ONES**

During the month of February we want to take this opportunity to teach the children about Valentine's Day, which is a day to celebrate our friends and loved ones near and far by setting up a valentine card making station in each room. We will be accepting donation materials for making cards. We want the children to be able to make and decorate as many cards as they would like. Item such as stickers, heart-shaped cutouts, dollies, special paper, envelopes, etc. We will be having a special healthy heart-shaped lunch and snack that day! Please, if you have any questions, feel free to talk to Karen!
